Would you like a **FREE** PTSA SCHOOL CALENDAR?

If you join hundreds of families, teachers, staff, students, and community members in West Irondequoit who support the programs sponsored by the WICPTSA, you will receive our school calendar containing important information and events for all ten schools!

Please help us reach our membership goals by showing your financial support. Your contributions help fund our local school programs such as cultural arts, family events, and scholarships, as well as the advocacy work that the New York State and National PTA carry out on behalf of all children.

Sign up online **TODAY** at https://wicptsa.memberhub.store

No internet, no problem! Send this completed form and your payment into your child's school and a calendar will be sent home with your child

Volunteering is NOT a requirement with membership, but if you have an interest in becoming involved, be sure to check out opportunities at your child's school and on our website at **www.wicptsa.org**

First Name: _____ Last Name: _____

Email: _____

and/or cell number: _____
