

MISSION STATEMENT:

The West Irondequoit Central PTSA seeks to unite home, school and community as advocates for the health, education and well being of all children so they may become productive citizens in tomorrow's world.

We are a Central PTSA so there is no need to join at each child's school. This allows us to contribute to the whole district as well as each of the ten individual schools.

Your membership helps to fund WICPTSA programs and services including:

- Cultural Arts Programs at each school
- Parent Connection (information sessions on parenting topics of interest)
- PASSN – Parent Advocates for Students with Special Needs
- Family events and activities
- Red Ribbon campaign
- Math/Science/Technology Scholarships (grades 7 – 12)
- Cultural Arts Scholarships (grades 4 – 12)
- Parents Who Care Directory (grades 7 – 12)
- Creative arts program

By joining WICPTSA, you are showing your support for **your child's** educational experience! Research consistently shows that when parents are involved in their children's education, the children are more likely to have better grades, score higher on tests, have better social skills, and have a more positive attitude towards school. In addition, you unite with nearly 6.5 million parents, educators and community members nationwide to ensure the educational, social and physical well being of **all children**, as you also become a member of New York State and National PTSA units.

Parental involvement is a powerful tool!!!

A single membership is \$8.00 and includes the popular (and extremely helpful) calendar.

Additional household memberships (spouses, children, etc.) are \$4.00 each (calendar not included).

PTSA is a not for profit group that operates exclusively for educational and charitable purposes. Your membership may be tax deductible – please refer to your tax advisor.

We hope you consider becoming a part of WICPTSA. Volunteering or attending meetings is not required, but your participation is always appreciated and encouraged. It's a great way to meet your children's classmates and to learn more about your school community.

Check out our website at www.wicptsa.org for more information.
