

STEM Scholarships (Science, Technology, Engineering and Math) Grades 6 – 12

Are science or math your favorite subjects?
Do you love to build things or experiment with technology?
Are you hoping to pursue a career in the sciences?

If you answered yes to any of these questions,
the STEM Scholarship may be a great opportunity for **you!**

West Irondequoit Central PTSA is pleased to offer students an opportunity to earn a scholarship to pursue further learning in the science/technology/engineering or math subject areas. Students who are entering grades 6-12 in the 2022-2023 school year are eligible.

Here's what you need to know:

- This scholarship may be used for a camp, a conference, or a seminar related to STEM.
- To apply, simply fill out the application forms found at www.wicptsa.org under “Scholarships” and send along with a recommendation by a math, science, engineering or technology teacher.
- The activity should take place **during the summer of 2022** and may not conflict with school attendance, unless sanctioned by the district.
- Each scholarship (six per year) will cover the tuition or entry fee up to \$100.00.
- A wide variety of programs and camps for STEM are offered by local universities, colleges and museums, but the scholarship is not limited to these organizations.
- Applications must be postmarked by Monday, May 31, 2022. Please complete the form in full and mail to:
WICPTSA STEM Scholarship
c/o Noël France
156 Belmeade Road
Rochester, New York 14617
- Scholarship recipients will be notified by June 14, 2022.

Questions may be directed to Noël France @ 576-5788 or noelfrance78@hotmail.com or to your child's science/technology/engineering/math teacher. Applications and letters of recommendation will be accepted via the above e-mail address too. Good luck!

Science, Technology, Engineering & Math (STEM) Scholarship Application

Irondequoit students in grades 6-12 in the 2022-2023 school year are eligible to apply for a \$100 WICPTSA STEM scholarship to be applied to attendance in a STEM related camp or summer learning program. Scholarship will be awarded to six students. Only programs in science, technology, engineering and math disciplines or the application will be considered. Please note, this does not include sports or music programs.

The recipients will be chosen on the basis of their interest in and enthusiasm for pursuing additional learning in the fields of science, technology, engineering and math.

Please fill out this application completely and accurately. Incomplete applications will not be considered. A parent/guardian signature is also required. A STEM teacher recommendation must be provided for applications to be considered as well. They may be sent separately.

Please print:

Student's name: _____ Grade in 2022-23 _____

Address: _____

Phone number: _____ e-mail: _____

Parent/guardian name: _____

Parent/guardian signature: _____

Program/camp attending: _____

Location of camp: _____

Program cost: _____

Teacher who will provide recommendation: _____

Applications must be postmarked by **May 31, 2022**. Please mail to:

WICPTSA STEM Scholarship
c/o Noël France
156 Belmeade Road
Rochester, NY 14617

Or scan and e-mail to:
Noelfrance78@hotmail.com

Please call 576-5788 with questions

Please complete the reverse side/2nd page.

Teacher Recommendation

Please fill out this page and give it to the teacher who will be writing your recommendation.

_____ will be attending _____
student name name of program

sponsored by _____
name of institution or organization

This student is applying for a STEM Scholarship from the West Irondequoit Central PTSA. A teacher recommendation is an integral part of the scholarship application process. We would appreciate receiving your recommendation by May 31, 2022.

Please tell us how long you have known the student and how you think this program might benefit them. How will this program build on the student's interest in science, technology, engineering, or math? What interests and or talents has he/she exhibited that would suggest a future involving these areas? What qualities will the student bring to the program?

Contact Noël France, WICPTSA, @ noelfrance78@hotmail.com or 576-5788 with any questions.

Please send your recommendation to:

noelfrance78@hotmail.com
or

WICPTSA STEM Scholarship
